Subject: Gek-kee

I just tried to call Gek-Kee regarding the inventorship changes. A man answered the phone; I told him who I was and that I needed to speak with Gek-kee regarding some patent issues. He said hold on then came back and said she was unavailable (I am sure I heard someone else in the background). He said he would take a message after which he asked, "Can't you just send a letter or something?" I explained that we did but that Gek-kee did not answer.

Anyway, we will see if she calls back.

Cheers,

Rich
